14) Regarding the powers of the Jahgirdar in connection with the administration of the Yelandur Jahgir, a complete and comprehensive note was prepared by the then Chief Secretary (Mr. N. Madhava Rao) on 21-7-1928. According to the Sannad, the Jahgirdar is entitled to the net revenue after meeting the necessary expenses on account of establishment, repairs of tanks, etc. One of the conditions of the grant is that the Jahgirdar & his Assistants should "use every exertion in their power for the increase of population and cultivation of the said Taluk by repairing old tanks and digging new ones" ~~keep the taluk of Yelandur in his possession and by increased cultivation make the taluk prosperous, executing works of tanks, wells and enjoy the same from year to year.~~" Thus the only items of public revenue to which he has an indisputable right are land revenue and excise revenue from toddy. The other items of receipts such as criminal fines, court fees, local cess, registration fees, etc., were allowed to be taken by him so long as he was performing the services to which these receipts are incidental, and he is not entitled to them as a matter of right. Many of ~~his~~ these services are not being performed by him now. His powers in these respects also have been taken away. Such of the administrative powers as the previous Jahgirdars were exercising were conferred on them as public functionaries appointed by Government and are revocable at their discretion. They were not powers conferred by the sannad. On account of the special position and the personal capacity of

NOTE—Contn. Sheet.

of the previous Jahgirdars they had been conferred with revenue, judicial, police, etc., powers. All the powers except revenue have been taken away in recent years.

15) The Jahgirdar is entitled to collect the revenue just like any other inamdar and the Government cannot divest him of this right and take over the administration of the Jahgir if he does not agree to it. Under section 119 A of the Land Revenue Code Government can assume management if the estate has been grossly mismanaged during the period of unsoundness of mind of the holder. The unsoundness of mind refer[red] to tantamounts to lunacy. If the holder does not consent to the administration by Government, moral pressure may no doubt be brought to bear upon him by refusing to grant special powers under the Land Revenue Code. Without such powers it will be almost impossible for him to collect revenue.

16) In 1840, the Jahgir administration was taken over by the Government under the orders of the Chief Commissioner, which was approved by the Government of India. The papers do not disclose under what authority this was done. It appears to have been an executive order, and as it had been approved by the Government of India, it will amount to an act of State.

17) There is no provision of law for compulsorily assuming management of the Jaghir unless the jaghirdar is ~~found~~ adjudged by the Court "of unsound mind". There is no material on record for such adjudication. An enquiry by the Rev Commr or Dr Commr will have to be ordered if that is to be done.

18) It may be possible to assume management as an act of State. Perhaps it is best to do so, where the Jaghirdar is in possession, and not where he asks for possession

19) If approved, a letter in the terms proposed by the R.C at A in para 3 of his letter will be sent. And if he does not agree & seeks an interview, the position as in para 6 will be explained & it may have the desired effect.

36) The file required is put up. The question of paying some amount to the Jaghirdar for his personal expenditure was once before under consideration in the year 1933. After obtaining a full report from the Rev. Comm^r on the subject, it was decided that a remittance of Rs. 1,000 to 1,500

a month might be arranged to be sent to the Jaghirdar subject to the available treasury balances admitting of such remittance. The amounts paid to the Jaghirdar during the last 6 years was as follows :—

U & X

1929-30	Rs. 10,514
1930-31	Rs 16,500
1931-32 . .	Rs 9,500
1932-33	Rs. 11,000
1933-34	Rs. 13,500
1934-35	Rs 12,000

W & X

The net savings after meeting all items of expenditure including the payment made to the Jaghirdar in the year 1934-35 was only Rs. 868. The normal revenues cannot therefore be expected to allow of a higher remittance than Rs. 1,000 a month being made to the Jaghirdar.

35) There is however a credit of Rs 36,193 in the Jaghir funds and this will have to be drawn upon if a higher remittance than Rs. 1,000 a month is to be made to the Jaghirdar. If such a course were to be adopted, the funds will be depleted very soon, leaving nothing for any improvements required or for any unforeseen expenditure.

Final Note by the First Member of Council.

Subject:—

CONTINUANCE OF THE GOVERNMENT MANAGEMENT OF THE YELANDUR JAHGIR.

Orders were issued in September 1935, with the gracious approval of His Highness, directing the continuance of the Government management of the Yelandur Jahgir until further orders subject to the Jahgirdar executing an agreement conveying full authority to Government in the management of the Jahgir affairs. A draft form of agreement prepared by the Government Advocate was accordingly sent to the Jahgirdar for execution. But he urged a reconsideration of the orders passed and requested that the management of the Jahgir might be restored to him.

After obtaining the views of the Revenue Commissioner, the Jahgirdar was requested to re-consider the situation. He accordingly suggested certain minor alterations to the draft agreement and asked for certain facilities to be shown to him. Some of these have been agreed to and incorporated in the final agreement which has been executed by the Jahgirdar on the 30th January 1936.

Orders have been issued with the approval of the Dewan and the Second Member of Council in accordance with the terms of the Agreement. The papers are submitted for the gracious perusal of His Highnes

SIR,

With reference to your docket No.C.1766/35-36 dated the 17th October 1935, requesting that the Jaghirdar of Yelandur may be asked to execute the agreement conveying full authority to Government in the management of the Jaghir affairs as directed in Government Order No.R.1522-27/L.R.61-35-3 dated the 7th September 1935, I have the honour to state that I addressed the Jaghirdar on the 18th October, requesting him to execute the agreement before me here, or if that is not possible, to execute the same before you in Bangalore whichever arrangement was convenient to him, and that as the matter was urgent and important requiring his personal attention, a reply was expected before the 22nd October. Not having heard from him till the 23rd October, I wrote to him again on the 24th and reminded him to let me know what action he had taken in the matter, and there has not been any response from him up till now although it is over ten days. He has not even acknowledged the receipt of the communications sent to him.

2. As I have not thus been able to get at him so far, I request that you may be so good as to call upon the Jaghirdar to comply with the directions of Government and execute the necessary agreement, in the absence of which, it will be a point for consideration whether the administration of the affairs ~~by~~ of the Jaghir by Government need be pursued further and whether it would not be desirable to reconsider the orders passed in the matter.

3. In this connection I beg to add that I have been

trying

trying my best to get into touch with the Jaghirdar from the 15th October but without avail. I was given to understand that he would be in Mysore before the 15th October, but when I sent word I was told he had not come. It was on this I had to write to him twice and the way in which he deals with important correspondence of this nature makes me feel that either he does not realise his responsibility in this matter or that he is unwilling to keep to his agreement with Government.

SIR,

With reference to D.O. letter No.Camp R.44/L.R. 61-35 dated 11th October 1935 from Mr. D.C. Subbarayappa, Under Secretary to Government in the matter of taking agreement from the Jaghirdar of Yelandur, I have the honour to state that the Jaghirdar has so far failed to execute the agreement as required. He saw me in Mysore and promised to execute it at a very early date. The Deputy Commissioner, Mysore, was also requested to get at the Jaghirdar who was in Mysore and to have the agreement executed. But so far, no reply has been received either from the Deputy Commissioner or from the Jaghirdar himself.

2. It is obvious that Mr. Nagaraja Rao Purnaiya has no intention to carry out his promise, and he has been behaving very irresponsibly.

3. In the circumstances, I think it advisable to ask him to take back the administration of the Jaghir, as Government management without the necessary agreement might lead to legal difficulties. I solicit the orders of Government in the matter.

I have the honour to be,

Sir,

Chief Secretary to Government,
BANGALORE.

Sir,

In continuation of my D.O. letter dated the 12th October 1935 addressed to your predecessor in regard to the management of my Jaghir, I have the honour to state that I have carefully considered the Government Order No: R. 1522-27/ L.R. 6125-3 dated 7th September 1935 as well as the terms of the Memorandum of Agreement under which Government are agreeable to comply with my request contained in my letter dated 10th August 1935 that they might continue the manage-ment of the Jaghir.

When Government in their Order dated 26th June 1935 directed the restoration of the management of Yelandur Jaghir to me, my domestic affairs, as explained in my letter dated 10th August 1935 to the Revenue Commissioner (copy enclosed for favour of reference) were in such a complecated condition that I fully expected they would engross my attention for a couple of years to the extent of preventing me from devoting myself entirely to the management of my Jaghir. At that time, nobody expected, and I least of all, that the complications would be solved easily and that a satisfactory family settlement would be effected for atleast a couple of years. It was owing to this expectation that I requested Government to continue in management for two years longer. Government who have all along evinced deep solicitude in me and my family will no doubt be glad to hear that my domestic affairs have been brought to an unexpectedly early and happy settlement, owing to the kind offices

offices of friends and wellwishers, and that I am now in a position to devote myself forthwith to the management of my Jaghir without anxieties or distractions of any sort. On a careful and anxious consideration of all the circumstances I earnestly feel that it is best for me to take over the manage-ment of my Jaghir myself. I am confident, with earnestness and close application to my duties, of being able to discharge my reponsibilities as Jaghirdar to the satisfaction of Government, and I also propose in the early years of management to avail my-self of the assistance and advice of a capable gentleman w i t h knowledge and experience in matters connected with Revenue admini-stration. I need not say that in regard to the selection of my adviser as in all other matters connected with the administration of the Jaghir, I shall be guided by the advice of Government who have been so uniformly kind and gracious to me . I request that early orders may kindly be obtained directing that the management of the Jaghir may be handed over to me.

Sir,

I am in receipt of your letter No: D.O. C. 32/1935-1936 dated 26th July 1935 requesting me to take over charge of my Jaghir and the previous letters bearing on the same subject.

I regret that owing to various causes I was not able to give a reply to them.

It is my intention to take over possession and management of my Jaghir as soon as I can. But my private affairs are in a complicated condition and require my earnest and constant attention. Before they are settled I find it difficult to take up the manage-ment of my Jaghir which also requires my continued attention.

Under these circumstances I request you to be so good as to move the Government to pass orders continuing the management of the Jaghir by the Government till such time as I am in a positio to take possession and resume the management of the Jaghir which may not be earlier than three years.

I have the honour to be,

My Dear Ramanathan,

I am in receipt of your D.O. letter dated the 9th instant, forwarding to me a copy of the letter addressed by the Jaghirdar of Yelandur to Government asking that the management of the Jaghir may be handed back to him.

2. I sent for the Jaghirdar and advised him that his attitude was rather difficult to understand, in view of the fact that only a few weeks ago, he represented to Government that he was unable to attend to the management of the Jaghir, and that the Government might continue to manage it for some time longer. I can see no change in the conditions relating either to the Jaghir, or to the Jaghirdar, to justify the request for the restoration of the Jaghir. The Jaghirdar's present attitude appears to be due to certain influences which have recently come to play. The Officer with "knowledge and experience of Revenue administration", referred to, as being available to give assistance and advice is, I understand Mr. N. Rama Rao. I advised the Jaghirdar that, in his own interests, he might let the management remain with Government for some time longer. He would not give me a definite reply to this suggestion. It struck me that he was not willing to do so.

3. In the event of the Jaghirdar insisting upon the Jaghir being given back to him, I am doubtful if, under the existing law, we can refuse to comply with his request. Perhaps, if it is definitely put to him by Government, he may probably agree to the continuance of the Jaghir with Government. Such a course, I may observe, is necessary, not only in the interests of the Jaghirdar, but also in the interests of the large body of ryots who are subjected to a great deal of loss owing to the condition of disrepair into which most of the irrigation works in the Jaghir have been allowed to fall.

4. It seems to me that we should take power under

under the Land Revenue Code to take over the management of such mismanaged inam villages or Jaghirs. I am making certain proposals in this behalf in connection with the amendment of the Lan Revenue Code necessitated by the Government Order on the Inam Committee Report. This is, of course, in respect of the future

5. But in regard to the Jaghirdar's case, I would suggest that Government may send him a letter asking him to reconsider the position that he has now taken up.

6. It has been usual whenever the Jaghir is managed by Jaghirdar, to confer on the Jaghirdar the powers of an Assistant Commissioner. In view of the character and performance of the present Jaghirdar, it will certainly be impossible to give him those powers. He will have to select his own Amildar. Appeals against the decisions of the Amildar will lie to the Deputy Commissioner of Mysore District. This fact may be made clear to the jaghirdar.

Yours sincerely

Transferring the management of the Kelandur Jaghir to the Jaghirdar.

Dear Sir,

I am directed to acknowledge receipt of your letter of the 7th November requesting that the management of the Kelandur Jaghir may be handed over to you and to state as follows:-

It was only so recently as September that Government passed orders agreeing to continue the management in their hands until further orders, on your ~~application~~ applying to that effect. ~~in which~~ You ~~had~~ specified also a minimum period of 3 years. You now seek a reconsideration of the order on the ground that your domestic affairs have come to an unexpectedly early and happy settlement and that you are now in a position to devote your whole-hearted attention to the management of the jaghir.

I am desired to inform you that while Government feel glad at the happy settlement of your family affairs, they do not feel that it would be in the best interests of yourself or of your jaghir that you should now take over administration of the jaghir. As you know, there are still a number of complicated questions engaging attention. The jaghir and the ryots are also subjected to a great deal of loss owing to the state of disrepair into which most of the irrigation works in the jaghir have been allowed to fall in the past.

Having regard to all the circumstances of the case, the Government consider that it is best that the management should continue in their hands for the next three years, at any rate, to facilitate the satisfactory solution of these problems and

the handing over of the jaghir to you in a satisfactory condition. I am therefore to advise you to reconsider the position and to confirm your previous consent and to request you to take steps to execute the agreement, draft of which has been already sent to you.

I am to add that any suggestions you may have for amendment of the agreement in respect of details without altering the substance will receive consideration.

2. Government Order No.R.1522-27/L.R 61-35-7 dated 7th September 1935 directing that the Yelandur Jaghir may, as requested by the Jaghirdar, be continued under Government management until further orders and that an agreement in the form prescribed be taken from the Jaghirdar conveying full authority to Government in the management of the Jaghir affairs.

3. Correspondence ending with D.O. letter No.26 dated 9th December 1935 from the Jaghirdar suggesting certain alterations in the agreement proposed to be executed by him.

Order No. L 4765-70 Encl. Agreement

Dated Bangalore, the 8-2- 1936

The Yelandur Jaghir has been under Government management since March 1930 and it was directed in the first order read above that it may be restored to the management of the Jaghirdar when

the present term of Government management expired at the end of June 1935. But the Jaghirdar moved for the continuance of the Government management for a further period of at least three years as his private affairs required his constant and earnest attention till then. Agreeably to this request, it was directed in the second order read above that the Jaghir be continued under Government management until further orders subject to the Jaghirdar executing an agreement conveying full authority to Government in the management of the Jaghir affairs. A draft form of agreement was accordingly sent to the Jaghirdar for execution and he suggested certain alterations in the same. These have been carefully considered and the terms as finally accepted have been incorporated in the appended agreement duly executed by the Jaghirdar on 30th January 1936.

2. According to this agreement, the management of the Jaghir will vest with Government for a period of 3 years from 1st July 1935 and Government will have all the powers which the Jaghirdar possesses and have full liberty to incur whatever expenditure they may consider necessary for the management and administration of the Jaghir, the Jaghirdar being consulted in all important

matters. He will be given facilities to be present on the occasion of the annual jamabandy of the jaghir and given access to all papers and records connected with the same.

3 The Jaghirdar wants his monthly allowance during the period the jaghir continues under Government management to be fixed at Rs.1,500/- per mensem and his private lands in the jaghir to be restored to his management. Government approve of ~~both these proposals and request~~ the latter request. The Deputy Commissioner ~~of Mysore District~~ is requested to take necessary action in this behalf as well as to ~~give effect~~ make arrangements for the proper management of jaghir according to the terms of the agreement.

4 The Jaghirdar also wants facilities to be given to him for further training in the Secretariat. This will be arranged for by the Chief Secretary to Government.

As regards the allowance, while he has to ask for Rs.1000 will be paid to him every month, and an additional sum of Rs.500 will be paid in any month in which the available Treasury balances of the Jaghir admit of such payment
